Trek 1000 Road Bike for sale + a wonderful bicycle Zen Koan

This bike has a 56cm frame (which works just fine for me at 5'6") and is a 1992. $275 or best offer.

The 1000 features a lightweight aluminum frame and aero chromoly fork that makes your rides extremely comfortable. It comes with strong, reliable components from Shimano, Vuelta and IRC that give you confidence on every ride.

This is a **FAST** bike. It comes with an electronic speedometer/odometer/pace calculator, toe-straps, and is in great condition.

I love this bike, but I already have two others and simply don't have the room for it.

This thing is hella fun riding around on sunny days . . . zipping aropund on the bike trails in the Bay Area, and even just getting from point A to B. For a photo:

A Bicycle Zen Koan, for your edification and amusement: *A Zen Teacher saw five of his students return from the market, riding their bicycles. When they had dismounted, the teacher asked the students, "Why are you riding your bicycles?" The first student replied, "The bicycle is carrying this sack of potatoes. I am glad that I do not have to carry them on my back!" The teacher praised the student, saying, "You are a smart boy. When you grow old, you will not walk hunched over, as I do." The second student replied, "I love to watch the trees and fields pass by as I roll down the path." The teacher commended the student, "Your eyes are open and you see the world." The third student replied, "When I ride my bicycle, I am content to chant, nam myoho renge kyo." The teacher gave praise to the third student, "Your mind will roll with the ease of a newly trued wheel." The fourth student answered, "Riding my bicycle, I live in harmony with all beings." The teacher was pleased and said, "You are riding on the golden path of non-harming." The fifth student replied, "I ride my bicycle to ride my bicycle." The teacher went and sat at the feet of the fifth student, and said, "I am your disciple."*
